The figures for the fourth quarter are the balancing figures between the audited figures in respect of the full financial year and published figures up to the third quarter of the current financial year which were subject to limited review.	The Government of India (GoI) introduced the Goods & Service Tax (GST) w.e.f 01.07.2017, GST is collected on behalf of the GoI and no economic benefits flow to the entity and does not result in an increase in the equity. Consequently revenue for the year/ quarter ended 31.03.2018 is presented not of GST. Sales of earlier period included Central Excise Duty which now is susumed in GST. The sales for the previous year ended 31.03.2017 include Central Excise Duty, hence not comparable with the current year's figures.	The Company has adopted Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affiars with effect from April 01, 2017 (transition date being April 01, 2016). Accordingly the above standalone financial results for the year / quarter ended March 31, 2018 have been prepared in accordance with Companies (Indian Accounting Standard) Rules, 2015 (as amended) as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and the other accounting principles generally accepted in India. Consequently, the standalone financial results for the corresponding periods ended March 31, 2017 have been restated to comply with Ind AS to make them comparable.	The above financial results were reviewed by the Audit Committee and approved by the Board of Directors in their respective meetings held on 30th May, 2018.	W.
